

PRESS RELEASE

FOR IMMEDIATE RELEASE

Local Wedding Minister To Host 1st Annual Valentine's Day Wedding Event

The Village, OK – MarryMeOk.com announced the 1st Annual Valentine's Day Wedding Event, hosted by local wedding officiant the Reverend Joy Huber, will be held Thursday, Feb. 14.

“This event is for all of those couples looking to have an anniversary date that is easy to remember and a fun story to tell the grandkids”, Huber said. “This is a low cost, no stress option for their special moment on the most romantic day of the year.”

The event will be 7 a.m. to 7 p.m. in the Lion's Club Community Center, 2785 Winston Rd. in the Village. Couples will be married throughout the day by appointment and walk-in couples will be married on a first come, first served basis. Event pricing begins at \$50 and package upgrades such as a unity candles or sand ceremonies will be available upon request.

A couple simply needs to have their marriage license with them upon arrival; the minister, venue, two witnesses, an archway, processional music, a bouquet for use during the ceremony, a keepsake photo of the wedding couple and more will be provided as part of the event.

This is the first year for this event, and Huber plans for it to be bigger and better each year for decades to come.
